WATCH THE FIREFLIES FROM THE LARGE BACK DECK! This TURNKEY home, impeccably maintained, is located in a quiet development on a double lot. This updated, split level has all the bells and whistles! BEAUTIFUL UPSCALE KITCHEN CABINETRY, BUILT-IN BOOKCASES, RADIANT HEAT FLOORS THROUGHOUT LOWER LEVEL, GENERAC GENERATOR, WHOLE-HOUSE WATER PURIFICATION SYSTEM, TANKLESS WATER HEATER, STEAM SHOWER, SOAKING TUB, GRANITE COUNTERS AND MULTIPLE STORAGE AREAS. Many possible uses for the lower level flex rooms. The large laundry/craft area could become your second kitchen! The lower Den could become your primary suite! Quiet, country living in Candler yet 20 mins from all downtown Asheville has to offer! Home has mature landscaping with Japanese Maples, Weeping Cherries, roses, azaleas, and rhododendrons, perennials and more. The second lot provides the opportunity for a vegetable garden. Additional structure for outdoor storage has electrical. No active HOA. Welcome to your new home!
